**ORDER GRANTING REQUEST TO RESET HEARING DATE**

An oral hearing before a merits panel of the Board of Patent Appeals and Interferences has been set for April 26, 2007. The notice setting the hearing was mailed to Applicants on March 6, 2007. The date Applicants received the notice is not apparent from the record. On May 4, 2007, a facsimile letter was received wherein Applicants requested that the oral hearing be rescheduled. The request has been granted.

**According to counsel:**

Appellants respectfully request that the Board reschedule the hearing in the above-referenced appeal, that was scheduled for April 26, 2007. [Counsel] upon reviewing Appellant's file for the patent application involved, it was determined that no Notice of Hearing was received for said application. After being notified of hearing on April 24, 2007, counsel was unable to attend due to previously scheduled commitments.

**For the reasons given above, it is:**

**Ordered that the request to reschedule the oral hearing to a later date, is granted. No further request for postponement will be permitted. Any further request for postponement will be treated as a waiver of the Request for Oral Hearing.**
